- after the first warning for any deficiencies after the deadline, a point deduction and then disqualification may be applied to any team
- We ask all teams entering the league to refrain from using obscene names, the use of such team names is strictly prohibited!

7. Safety of the field of play and its immediate surroundings:

- the participating teams are responsible for the safety, cleanliness and behaviour of their supporters on the field of play and its immediate surroundings, if this is not satisfactory, the referee may stop the match, discriminate against the team at fault
- the consumption of alcoholic beverages is prohibited on the indoor playing field and in the stands (DESOK Sports Hall, Agricultural Sports Hall)

8. Final provisions:

If 2 or more teams are tied on points, the following criteria will be used to rank the teams:
- the result of the match against each other
- aggregate goal difference
- more goals scored
- all-out match for 2 teams, draw for more teams

Starting from the current semester, the following ranking classes are available.

Superliga
- DIV I pre-qualified teams, in addition to teams that have qualified in DIV II and who have agreed to compete in the higher division
- participation in the President's Cup for teams that do not finish in the top 4

DIV II Division
- in addition to teams that have pre-qualified for DIV II, proposed for teams that finished in the top 4 in DIV III in the last semester

DIV III Division
- in addition to teams that have not qualified for DIV II, proposed for newly entered teams without legal successor
- an unlimited number of participating teams is possible

For the teams that qualify from both lower divisions, participation in the higher division will be strictly compulsory from the autumn semester 2022/23, and optional for the other teams that reach the quarter-finals.
Other information on this will be available in the revised Competition Rules on the official website later this semester.
